The assessment was announced.

Applicable regulation:

Control according the Regulation (EU) 2018/848 and its implementing and delegated acts. This document has been issued in accordance with Commission Implementing Regulation (EU) 2021/1698 Art. 14

3. Overall conclusion

In the following please find a list of crops/products that have been considered during the inspection, revision and certification process, and the result of the certification decision for each crop/product, being reflected in the column "Status".

Please note that ONLY crops/products indicated in the Status column as "Organic, 100% Organic, In conversion - 2nd year of conversion, In conversion - 3rd year of conversion, Made with organic, May be used in organic production in accordance with Regulations (EC) No 834/2007 and (EC) No 889/2008 " were included in your certificate and can be marketed with reference to organic production according to the status given. Any other crop/product, marked as "Non organic - 1st year of conversion", "Pending", "Denied certification", or which are not listed at all cannot yet be marketed with any references to organic production, but is subject to further verification, and possibly fulfillment of noncompliance.

Crops

Crops / fields (Variety)	Scheme	Status	Area (ha)	Amount
Spices	EU 848-TC_A	Organic	0,50	0,05 Kg
